All Sponsors are invited to our Presentation Evening in October when we present monies to local charities and good causes, and hear of some of the wonderful ways in which Feast Day makes a difference in our community.

We are extremely grateful to all our sponsors - big and small - as this event could not run without your support. Sponsors are all mentioned in our programme - and the programme sponsor will have their name on the front cover. - We produce and distribute around 5000 programmes to homes and shops in the village before the event.

After allowing for costs of the event, surplus funds are donated to local good causes either in Chalfont St Peter or good causes that serve the population of Chalfont St Peter. Our website and the Official Programme give details of the £124,500 distributed since 2009.

All organisers of the event are volunteers and give their time and services absolutely free of charge.
